Achraf Ben khadda participates in class everyday and tries his best. He is a good example to the other students in his behaviour and attitude.

Achraf is doing well and I hope he continues like this as he will do well. He is enthusiastic about participating in class activities and answering questions asked by the teacher. He is showing interest and enthusiasm for the things we do.

Achraf speaks with confidence to the group. His pronunciation could use a little more work but it is constantly improving. He handles most of the material well and doesn't hesitate to answer questions. I am always impressed with Achraf's reading ability, especially his sentence flow. I encourage him to read as much as he can at home in English to help improve his reading skills.

Achraf is able to listen and understand with ease. He listens attentively and usually understands what I'm explaining to the class. In listening exercises and activities, he usually does well.

I am happy with his general progress and understanding of the materials we are studying.
