Baya is doing very well in class. I expect her to continue to do well in her studies. She is one of the best students in her level. She has greatly surprised me with her effort. She has a very good attitude towards classwork and homework. Baya enjoys lessons and makes an effort to engage with the teacher one-on-one. She likes to talk with me, but unfortunately our conversations are very limited.

She continues to improve her reading skills through her ongoing hard work. She is able to learn to spell words easily.

Baya has very good grammar knowledge and vocabulary skills. In listening exercises and activities, she usually does well. She listens to the teacher well and follows instructions accurately and obediently. Baya has a great understanding of the materials we have studied until now. She volunteers often in class to answer questions or demonstrate her abilities.

Baya has proven to have a key grasp of the English material we have been studying. She is making steady progress in literacy and has started to enjoy her growing achievements in English. I enjoy having Baya in my class.
