Mariem has a great personality and a positive attitude towards learning English. Mariem is a friendly student with an excellent attitude to study. She enjoys participating and almost always completes her homework. She is not afraid to speak up in class and she gets along well with the other students.

She appears to have quite strong vocabulary and her answers to questions are usually accurate. She has good English vocabulary skills. I am always impressed with Mariem's reading ability, especially her pronunciation of unfamiliar words. Her writing skills are very good for her level.

In listening comprehension exercises and activities, she does incredibly well.

Mariem demonstrates a great understanding of new material by always providing an answer to the teacher's questions.

Mariem has exhibited a detailed understanding of the English material we have covered in class. I am confident that Mariem will become an excellent English speaker

if she continues to work hard. Keep up the good work, Mariem!
