Youssef is a bright, friendly student who makes an effort to engage with the teacher and gets along well with the other students in the class.

He takes pride in the work that he does and is very proactive in class. He loves to participate in class and has a strong vocabulary and good speaking skills. He learns new vocabulary quickly.

I am always impressed with Youssef's reading ability, especially his pronunciation of unfamiliar words. His book work is quick and complete and he rarely makes mistakes.

He is easily able to follow the flow of natural conversation and understand complex dialogue. He prefers to problem solve on his own and can usually self-correct .

Youssef has demonstrated a thorough grasp of the English topics we have been studying. He will surely do well in his future English studies if he keeps up the good work and his positive attitude.

Keep up the good work, Youssef!
