I am very impressed with Zaineb Kammoun as a student.

Zaineb is a smart student and always seems to know the right answer. She is not afraid to speak up in class and she gets along well with the other students. She has quite a strong vocabulary and her answers to questions are usually accurate.

Zaineb is probably the most accurate speaker in the class who reads new words and phrases well. She makes a great effort to figure out the pronunciation of new and unfamiliar words - she usually succeeds.

She has repeatedly demonstrated a remarkable listening comprehension. She quickly learns new vocabulary and is able to integrate new words, concepts and grammar rules into her listening and comprehension.

Zaineb has exhibited a full grasp of the topics we have covered in class. If she keeps up the good work she should reach excellent levels of English. Keep up the good work, Zaineb!
